

# How To Create Your DynaMed Plus Personal Account

1

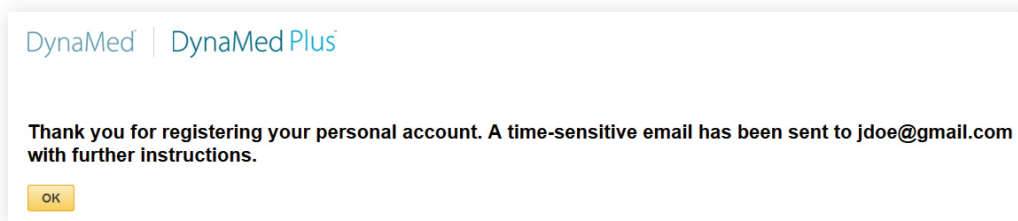

Access *DynaMed Plus* from your hospital and click **Sign In/Create Account**.

2

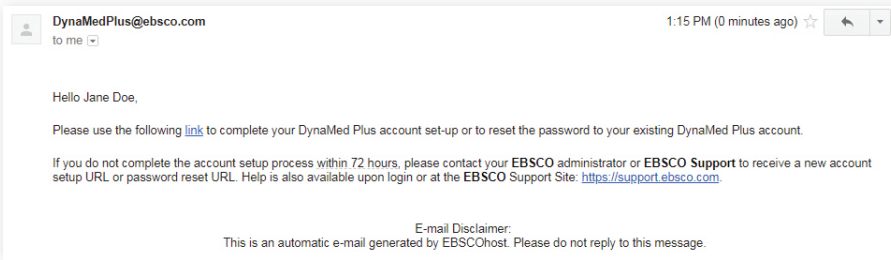

Complete the information form. The email address you enter will be your User ID. Click **Submit**.

2a

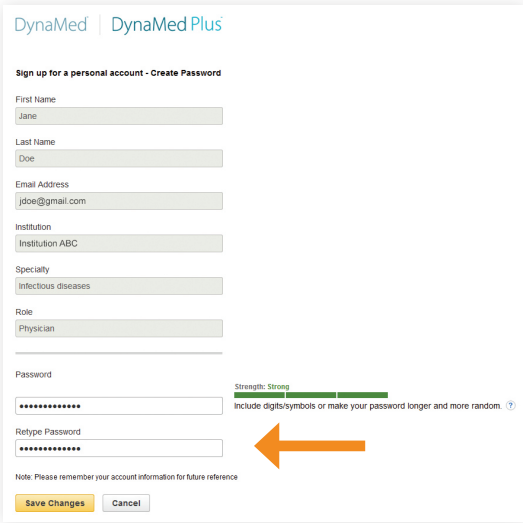

After you click submit, you will see this **message**.

3

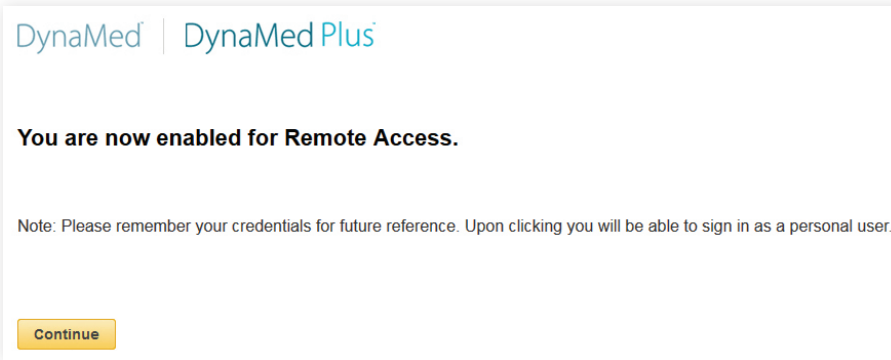

You will receive a confirmation email with a link to complete the set up process and create your password. **The link will expire in 72 hours from the time of request.**

4

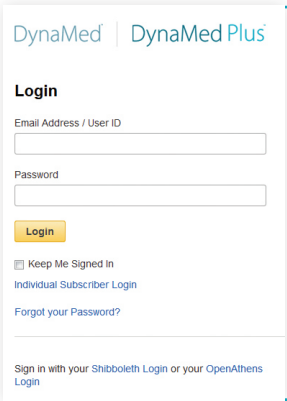

Choose a strong password, that is easy to remember and click **save changes.**

4a

After you create a password, you will see this **message.**

5

Go to **DYNAMED.COM/LOGIN**. Enter the credentials you just created to log in, save as a favorite, or make a shortcut on your mobile device (if using your mobile device browser).
