

Download the *DynaMed*[®] App Today!

Obtain an Authentication Key

1. Access *DynaMed* in a browser as you normally do at your institution.
2. The *DynaMed* home page appears. At the top of the screen, click the **Mobile** link.
3. The iPhone and Android apps screen appears. Enter your **email address** and click **Send**.
4. You will receive an email with links to download the *DynaMed* mobile app and an "authentication key."

Download the *DynaMed* App from the App Store or Google Play

1. Open the email on the device onto which you want to install the *DynaMed* mobile app.
2. Click the App Store or Google Play link in the email.
3. Click the *DynaMed* mobile icon and then click the **Download** button (the wording may vary between iOS and Android devices).

Complete the Installation

1. When the download completes, go back to your email, and click the authentication key link.
2. A message displays asking to "Open this page in *DynaMed*?" Click **Open**.
3. On the Terms of Service screen, click **I Accept**.
4. The Welcome screen appears with an Updates Available message—click **Update Now**.
5. You will see the *DynaMed* content files downloading on to your device. (This could take 10 + minutes; the Update Progress indicator at the top of the screen shows the download status.)
6. When the download completes, the *DynaMed* app browse screen opens. You can now access the content on *DynaMed*.
