

Earn Nursing Continuing
Education Credits with

Nursing Reference Center™ *Plus*

With *Nursing Reference Center™ Plus*, nurses and certified case managers can **easily access** an extensive collection of continuing education courses covering the **latest topics** on patient care, drug administration, skills and more.

EBSCO Health is a **preferred partner** of HealthStream and with this partnership *Nursing Reference Center Plus* CE and CCMC courses can be accessed through the HealthStream CE Center tool.

Nursing Reference Center Plus CEUs are Accredited By:

- American Nurses Credentialing Center (ANCC)
- International Association for Continuing Education and Training (IACET)
- Commission for Case Manager Certification (CCMC): Select pre-approved nursing continuing education modules

Each CEU Module Includes:

- Course material
- An interactive review
- Module evaluation
- Competency test
- Certificate of completion
- At least one contact hour per completed course
