

# Separate yourself with EXCELLENCE

*...and earn Commission for Case Manager Certification  
contact hours with EBSCO Health's Nursing Reference Center™*

*Nursing Reference Center* contains Commission for Case Manager Certification (CCMC) pre-approved continuing education modules. Each continuing education module consists of course material, an interactive review, a competency test and a module evaluation. For each module, case managers who successfully complete the competency test will obtain 1 contact hour and receive a certificate of completion.
