

The premier evidence-based information resource DESIGNED SPECIFICALLY FOR NURSES

The screenshot shows the Nursing Reference Center website. At the top left is the logo "Nursing Reference Center powered by EBSCOhost". To the right are links for "Sign In", "Folder", "Preferences", "Send Feedback", "Help", and "Exit". Below the logo are "Home" and "Advanced Search" links. A navigation bar contains buttons for "Basic Search", "Diseases & Conditions", "Skills & Procedures", "Drug Information", "Patient Education", "Practice Resources", and "Continuing Education". A search bar with "Find:" and "Search" and "Clear" buttons is present. The main content area is divided into three sections: "Spotlight" with key features like "New: CCMC Approved CE Modules" and "Continuing Education Modules: 1300+ Topics Available"; "Nursing News" with headlines such as "Vaccine Has Cut HPV Infection Rate in Teen Girls by Two-Thirds: Study" and "Canadian Medical Panel Advises Against Routine Colonoscopy"; and "Search Other Services" with logos for "ANA American Nurses Association", "DynaMed", "PERC", and "Rehabilitation Reference Center".
